PROJECT SHEET

Dalrymple Road Upgrade

Project Overview

The provision of Superintendency and Inspectorial Services for the delivery of two new concrete bridges to replace the existing low level concrete crossing over the Bohle River. The two bridges included one four span bridge and one six span bridge, each four lanes wide, founded on driven precast, prestressed concrete piles.

CLIENT Townsville City Council

CLIENT CONTACT Guy Raffe

LOCATION Bohle Creek, Dalrymple Road,
Townsville QLD

CONTRACT TYPE Lump Sum, AS4000

VALUE \$33 Million

ROLES PROVIDED Contract
Administration, Site Engineer, Inspector
